ESIC Hospital Tirunelveli Organizes Preventive Health Check-up Camp at SIPCOT

Industrial Complex, Tuticorin on June 27, 2025 — ESIC Hospital, Tirunelveli, conducted its Annual Preventive Health Check-up Medical Camp today at Marris

Associates, C-102, SIPCOT Industrial Complex, Tuticorin. The camp was organized to promote early detection and management of health issues among insured workers and their families. A team of doctors and healthcare professionals provided comprehensive health services, including general health check-ups, homoeopathy consultations, yoga sessions, ECG, and blood sugar testing. The event saw enthusiastic participation from 110 individuals, reflecting the community's commitment to preventive healthcare.
